Ginny,

I wanted to confirm with you that we are planning to collect the samples next Thursday (23rd) and Friday (24th). We are planning to layout the locations on either Tuesday or Wednesday next week. I will probably be on-site a portion of the time. Please let us know if you still think you will be joining us and when.

If you should have any questions or comments, please feel free to contact us at 910-452-5861.

Thanks,

Jeff
